Buddy Mentoring System

Our college has introduced “**Buddy mentoring system**” in the year 2020-21. In this system, Third year B.Pharm students are appointed as mentors for the first Year B.Pharm students and further the same students in Final year college mentor the second year students .

Importance of the Buddy Mentoring system:

- The senior students can advice and be a support system for their juniors in terms of career and enjoying the learning experience in college.
- Students feel free to interact with them with any sort of difficulties.

One faculty member is always associated with these buddy mentor students to have a watchful eye and also offers any help required by these buddy mentors for solving issues of their mentees.

Outcome of Buddy Mentoring system:

Following testimony on our college website is a proof to the system:

The image shows a testimonial on the AISSMS COP website. At the top, there is a header with the AISSMS logo and the text "AISSMS COLLEGE OF PHARMACY". Below this, the name "GAURI BADGUJAR" is displayed in large, bold, yellow letters. To the right of her name, it says "S.Y. B. Pharm" and "AISSMS COP". The main body of the testimonial is a white text block on a dark blue background, stating: "Hi, this is Gauri Badgujar from S.Y. B. Pharm. Our college AISSMS COP has appointed buddy mentors who are very helpful in solving our doubts and queries. They also help us in our studies and various social activities conducted by the college. I am very thankful to my buddy mentors (Tanaya and Sakshi - Final Year. B. Pharm) for helping me during my academics and supporting me throughout the year." To the right of the text is a small, rounded rectangular photo showing a group of students sitting around a table, engaged in a discussion. At the bottom of the page, there are social media icons and the text "aiissmscop.com" and "AISSMS_COP".
