3. Fort Conservation Activity: 17/12/2021

Forts are our heritage and cultural signs of pride. Many people visit forts for tourism or educational purpose. Tourists do lots of littering on the fort and this creates an issue for conservation and protection of the rich heritages. Therefore NSS Unit has decided to be involved in conservation of such heritage sites.

NSS Unit with staff visited Fort Lohgad on 17th December 2021. Students collected garbage full of 10-11 bags and brought to college. This garbage was handed over to the waste disposal system of the college. Students also educated other tourists for not throwing garbage and take part in the conservation activity.
