REPORT ON EXPERT LECTURE

Activity Name: - Preparing to Excel at GRE

Day and Date: - _Thursday 18/11/21 Time: - 9 a.m. -10.30. a.m.

Organized for (student class/staff): - SY, TY and Final Year B.Pharm

Details of Speaker(s)/Resource Person(s) (Name/Affiliation/Contact Details): -

Miss Meghana Mokashi (Alumni)

Current PhD Student, University of Mississippi School of Pharmacy

Coordinator Names: Dr.M.C.Damle and Dr.T.S.Chitre (Guest Lecture Committee)

No of Participants: 53

Description of Activity (Detail, Attendance, etc):

1. Miss Meghana presented her talk and explained about GRE basic idea and types of subject involved. She told how students should read more English books and watch English famous serials to help in analytical reasoning in exam.
2. Her more focus later was on one-to one interaction and students interacted with her by asking about
 - a. Funding options in Universities
 - b. Application process and fees involved
 - c. Application process for PG and PhD
 - d. What kind of skills should be their during UG programme to get easier entry to foreign university
 - e. Whether work experience is advantage before taking options
3. She told about some new courses and available options
4. She told students about keeping focus on GRE if immediately they wish to pursue MS post UG.
5. She told about US/UK as well as Canada as countries to apply for MS/PhD and how a backup plan should be ready for different options to avoid time lapses.

Outcome:

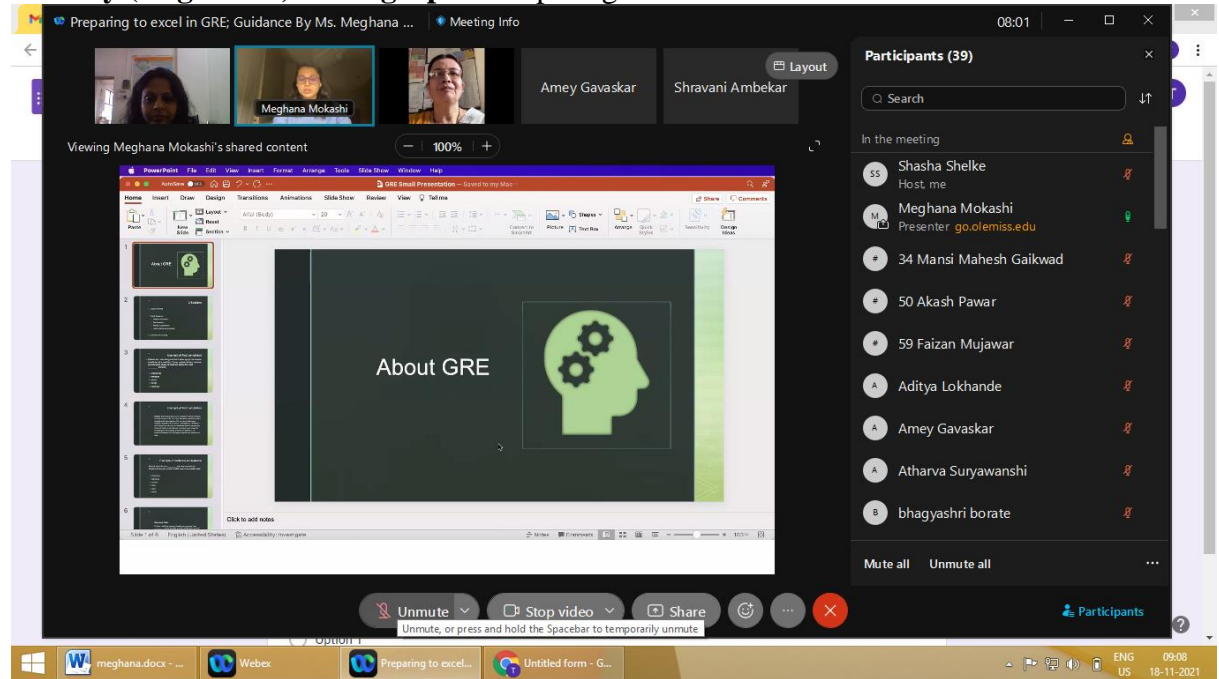

Students enjoyed interacting and listening to lecture and were definitely benefitted with the session on GRE excelling process.

REPORT ON EXPERT LECTURE

Activity Name: - **Work opportunities and different Research Interests**

Day and Date: - _Thursday 10/12/21 Time: - 9 a.m. -10.00. a.m.

Organized for (student class/staff): - SY, TY and Final Year B.Pharm

Details of Speaker(s)/Resource Person(s) (Name/Affiliation/Contact Details): -

Mr.Awdhoot Godbole, Senior Associate Scientist

Pfizer, Massachusetts

Coordinator Names: Dr.M.C.Damle and Dr.T.S.Chitre (Guest Lecture Committee)

No of Participants: 40 (including few staff members)

Description of Activity (Detail, Attendance, etc):

Mr Awdhhot discussed about:

Importance of

1. Preparing for exam
2. Statement of purpose
3. Recommenders
4. Flash card app to use in-between study times
5. Good scores
6. Few universities he told who directly apply for PhD programme which doesn't require GRE
7. Experience about working in Northeastern University and how he did his internship
8. How students should look forward to selection of universities with good labs.
9. Relevance of exposure and experience of working in foreign universities
10. He gave information regarding community colleges for Pharmacy students
11. Different work opportunities which are not in different subject wise compartments.
12. Check for lab research and profile of teachers /faculty research profiles and current projects
13. Check on carrier fair where you can get an opportunity to work
14. He told importance of Internship and hands-on training in biotech programmes/ industry/ hospital before seeking admission.
15. Impact of social media posts on personal pages by students while securing admission especially for seeking PhD admission

Some of the student's questions:

Is there any fellowship while perusing the master degree or PhD ??

Which english proficiency exam is preferred in US?

Is it better to do Phd directly after b pharm or one should go for masters first after bachelors.

What aspects should be considered in mind before preparing for masters ?

Outcome:

Students enjoyed interacting and listening to lecture and were definitely benefitted with the session on **Work opportunities and different Research Interests as well as few tips on GRE** excelling process.
