E-GOVERNANCE REPORT FOR 2022-23

AISSMS college of pharmacy, acknowledges the fact that the era belongs to e-governance and it means transparency in day to day affairs, faster dissemination of data to all the stakeholders, reduced cost and time requirements. College makes all attempts to enmesh the electronics based technologies in its day to day working. Electronic governance in the institution allows use of information and communication technologies with the aim to improve communication, promote transparency / accountability and make better use of time resource.

The day to day educational tasks of college like taking attendance, planning the syllabus delivery, making batches, payment of fees, generating reports and taking feedbacks are handled through the ERP software developed by M/s Akron systems a Kolhapur based software firm.

e-governance in the of finance & Accounts, is done through the use of Tally system.

The day to day communication if facilitated by whatsapp groups with specific objectives like class wise groups and teachers groups and placement related groups. The use of google sheets and google drive is effectively made for data collection which reduces paper usage. Effective use of CCTV to monitor the safety and security in premises is done.

The examinations are also governed by use of SP Pune university portal for form submission, results, printing of question papers etc. Student support areas like library, Student Support, Placements also make use of softwares and electronic communications.

Library uses softwares like AUTOLIB and Online Public Access Catalog (OPAC).

The College has also subscribed for access to Inflightnet.

There is a dedicated alumni portal ALMSHINE.

During COVID pandemic the classes had to be conducted online, since then our faculty uses different online platforms and ICT tools to reach out to the students.

Meetings of statutory bodies like college development committee, Internal Quality Assurance cell, IAEC are many times held online on zoom or google platforms.
