About e-FDP
This is an activity based FDP which will be conducted on Gnomio Moodle platform <https://pedagogians.gnomio.com>. This will be self paced MOOC FDP and the learners will be engaged through Videos, LbD Quizzes, Discussion forums, and tasks for every week. This FDP has been designed for empowering teachers with modern pedagogy.

Objectives of FDP
Transforming teacher centered passive teaching learning (TL) process to student centered active TL process.

- Equipping teachers to utilize effective teaching practices in classroom.
- Empowering teachers with modern and innovative pedagogical tools.
- Enhancing student engagement through interactive and collaborative learning.
- Improving learning outcomes through use of learning management systems, blended teaching and digital pedagogy.
