About All India Shri Shivaji Memorial Society

All India Shri Shivaji Memorial Society (AISSMS) was established in the year 1917 as a broad based Educational and Social Welfare Organization by His Highness Rajashri Chhatrapati Shahu Maharaj of Kolhapur, His Highness Sir Tukojirao Maharaj of Indore with the benevolent mission of the welfare of their subjects. The sole purpose of the Society is to promote noble cause of education among people from all walks of life.

Today the Society has evaluated & grown into one of the leading educational institutions. It has two renowned Engineering Colleges, College of Pharmacy, Polytechnic, Management, College of Hotel Management & Catering Technology, ITI, Nursery, Primary Day School, Day School and Junior College, Primary & Secondary Boarding School and all of them are known for imparting quality education. The Group has prestigious flagship boarding institute viz Shri Shivaji Preparatory Military School, which has completed 88 years.

About AISSMS College of Pharmacy

The college was established in the year 1996 to produce Pharmacy professionals of caliber, competence and conscience through quality education and to cater to the needs of skillful and knowledgeable human resource with healthy attitude for pharmaceutical industries and healthcare systems. The college is approved by Pharmacy Council of India and All India Council for Technical Education recognized by Government of Maharashtra and affiliated to Savitribai Phule Pune University and included under section 2(f) and 12 (B) of UGC Act 1956. The college has been awarded "A" grade by NAAC in 2018. The college offers B.pharm. and M.pharm in Pharmaceutics, Quality Assurance techniques, Pharmaceutical Chemistry and Pharmacology and doctoral programmes in Pharmaceutics & Pharmaceutical Chemistry.

About the Program

The Pharmaceutical sector is one that is constantly evolving. Innovations and new ideas have always ensured a dynamic state enabling it to serve its best in every situation. In the current pandemic too, the entire world looks upon the Pharma sector with hope.

This mandates that pharma professionals keep themselves regularly updated with the best practices in the field on a wide range of relevant issues and technologies.

With this in mind, we bring together experts to share their immense knowledge in the field right from Pharma education, Drug discovery, Formulation development, Pharmacovigilance and many more topics that will shower light on the current scenario and future of Pharma sector.

Target Audience

Heads of the Department, and Faculty of the professional institutes, research scientist. Research scholars are encouraged to participate.
